

This is what the National Carpet Cleaning Association has to say when looking for a Company to clean your carpets or upholstery .....

## NCCA

When employing a carpet cleaning Company always look for the NCCA Logo.

NCCA Members are recommended only by the dedicated trade association for the UK carpet cleaning industry.

Requirements of membership are achieving the necessary standard in an NCCA or equivalent training course examination and providing proof of appropriate insurance cover.

All members follow the NCCA code of practice.

In addition to general carpet cleaning and upholstery, members may offer several other services including carpet protection, curtain and other soft furnishing treatments.
