## PRINT ME AND KEEP ME!

Dear all...

We are delighted to announce this launch of our new website and I do hope that you have had the time to view all of the services and especially the **current offers**. We would of course like to thank our web designers at **Spring Media** for all their help.

*Commercial clients;* are you paying too much for your cleaning services? It costs you nothing to receive a comparison quotation for your contract and general cleaning requirements. Please telephone our offices; we may save you money!!

*Residential clients;* please contact us to book your Spring cleaning which can also include carpet and upholstery cleaning. See offers page of our website.

*Carpet Stain removal* has been massive over the last few months and the amount of mistakes I have seen where clients have attempted stain removal. Please call me! If you would like to purchase a stain removal kit, see below voucher.

*Please book early!!* As spring time is approaching more and more customers are asking for work in all service categories. Please can you help us by allowing 7-14 days for all bookings where ever possible?

I would like to wish you all well and look forward to hearing from you very soon!

Kind Regards –

*Martin Smith*
